**Over the last year, nearly 2 in 5 of our Torrance-South Bay YMCA members and participants received financial aid to be a part of our Y.** Donors like YOU strengthen our community by ensuring every child, teen, adult, senior, and family has a safe and healthy place to reach our full potential. 100% of your tax-deductible donation is reinvested into our community through Y programs focused on youth development, healthy living, and social responsibility.

The Chinese government's birth limitation policy and a cultural preference for sons heartbreakingly subjects girls to a high risk of human trafficking. It's difficult for **Saraphina**, an incoming eighth grader from Torrance, to talk to others about human trafficking and her connection to the issue. However, Saraphina bravely brought the issue to the forefront and was elected incoming Secretary General of the Y's Model United Nations (MUN) program. In her acceptance speech, she lovingly thanked her parents for adopting her from China and saving her from what could have been. The Y's MUN program offers a journey of finding your strengths, a cause to stand up for, and a safe platform for expression for students like Saraphina.

## Every day, the Y strengthens communities and helps us realize our endless possibilities.

- » For the third consecutive summer, hundreds of teens enjoyed a safe environment at our YMCA. Our Get Summer program enables our youth to **gain maturity and independence** with a free summer membership. In addition to our Y, 26 branches throughout the greater Los Angeles area welcomed over 5,000 teens into our Y family for a summer of fun and friendships.
- » Over the past year we have served more than 55,000 lunches to seniors in the Carson, Torrance, and Redondo Beach communities. This program **provides a nutritious meal, fitness classes, and social programs** that impact 150-200 seniors every day.

- » Youth at YMCA Camp Round Meadow and Camp Whittle sang around the campfire, rode horses, gazed at the stars, and spent an entire week unplugged, **making new friends and memories**. Hundreds of campers experienced the magic of Y resident camp. Many of our campers this summer came from military and homeless families through partnerships with other organizations.
