MATCH YOUR GIFT MAXIMIZE YOUR IMPACT

Many companies offer “matching gift” programs as a way to give back to the community. Hence you, the employee, are able to make the most of your support to the Y, with your employer doubling – or sometimes even tripling – the size of your contribution.

The following is just a partial listing of companies that will match their employees’ donations to registered non-profit organizations dollar for dollar (1:1). Some companies also match gifts made by spouses or retirees. Usually, matching gifts are made by filling out a simple one-page form. Please check with your HR or Charitable Giving/Community Grants department for more information.
