YOU MAKE POSSIBLE HAPPEN.  
GIVE TODAY.

Catey always wanted to become a Registered Nurse, but that dream was put on hold after starting a family. She worked for Torrance Unified for several years in the Health Office until she decided to pursue her nursing career. Catey was accepted to one of the best nursing programs in California, but she was unable to find affordable care for her daughter. She was prepared to put her dream on hold, but then a friend told her about the Torrance-South Bay YMCA Preschool. The Y was able to offer financial assistance and both mother and three-year-old daughter started school the same day. Last May, Catey graduated with her nursing degree and her daughter graduated YMCA preschool. "The Y has given families a second chance to chase their dreams. I am so grateful."

- Catey, Torrance-South Bay YMCA Member

CHILDREN, TEENS, FAMILIES,  
AND SENIORS IN OUR  
COMMUNITY RECEIVED  
FINANCIAL ASSISTANCE.

**Every day at the Y, we inspire everyone  
to learn, grow, and thrive.**

For the fourth consecutive year, teens enjoyed a safe environment with healthy activities and nurturing mentors through our free Get Summer program in July and August. Our branch welcomed over 370 teens into our Y family for a summer of fun and friendships.

Alleviating food insecurities in the lives of our neighbors, the Y served over 50,000 meals to our community's seniors in 2019.

The Y worked with more than 150 children and adults with special needs through the Y's Diverse Population Aquatics Program and various Youth Enrichment classes, ensuring a lifetime of safety around water and active living.

Every dollar of your 100% tax-deductible donation stays in Torrance and the South Bay to build strong kids, strong families, and a strong community.
